

What three things would you  
take to a deserted Island?"

We need water and fire to survive

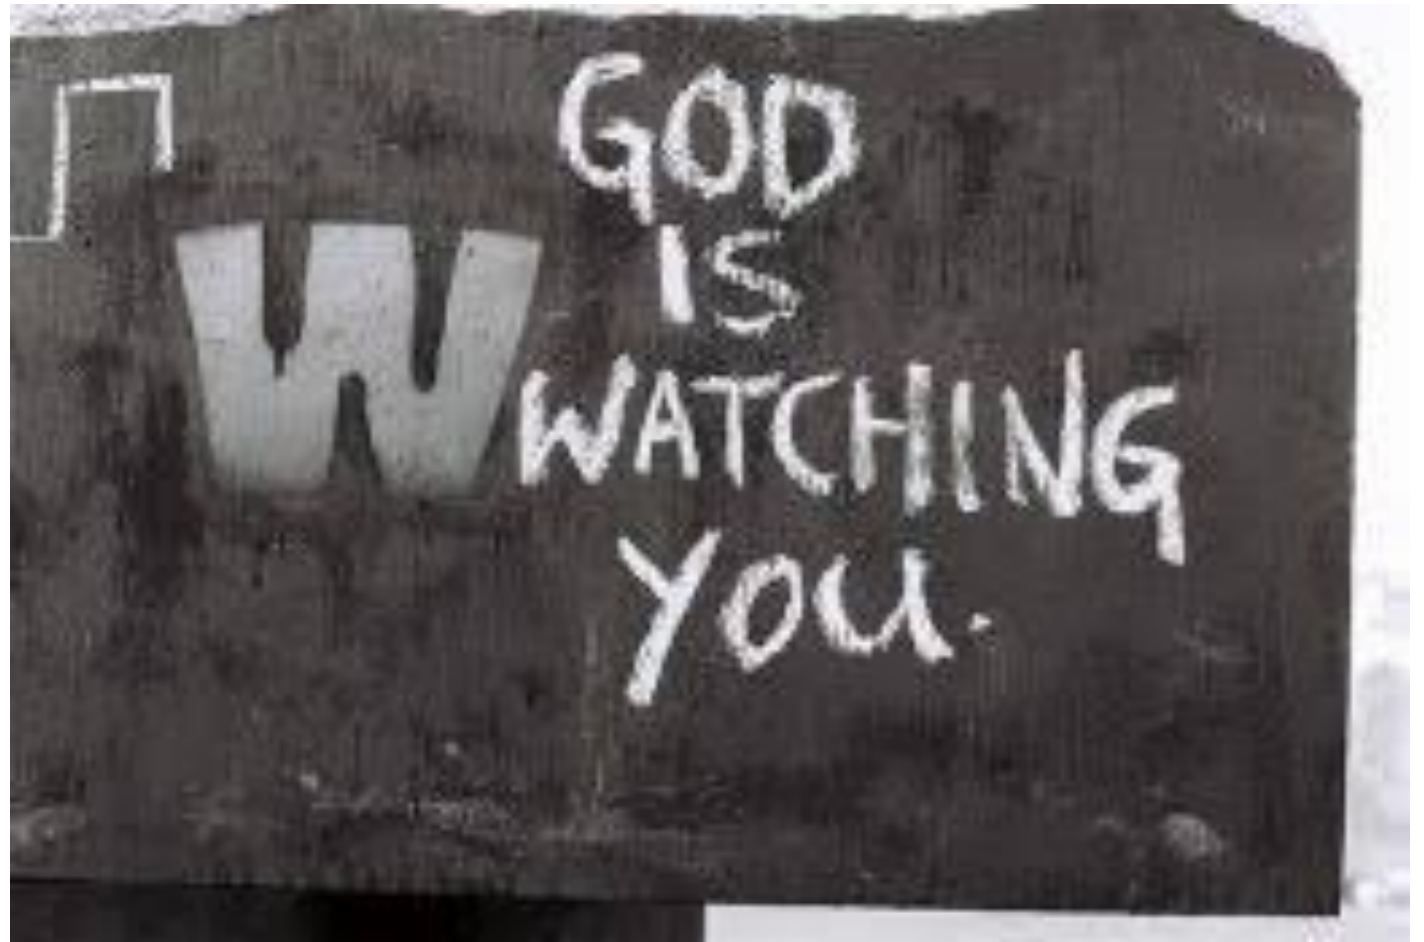

---

What is “water and fire” for  
Christians?

# Matthew 4:1

"Then Jesus was **led by the Spirit** into the wilderness to be tempted by the devil."

Remember  
God is always  
watching over you.

# Matthew 4:3

- "If you are the Son of God, tell these stones to become bread."

*hungry*

All temptation  
can be related  
to **finding a  
shortcut**

The Word of  
God:

---

a “map” for  
our ways of  
life

"It is written: 'Man shall not live on bread alone, but on **every word** that comes **from** the mouth of **God**.'

---

Matthew 4:4

1. God is always watching you.
2. Do not take a shortcut.
3. His word is the key to fighting temptation.
